SENATE BILL

No. 364

Introduced by Senator Alpert

February 21, 2001

An act to amend Section 2948.5 of the Civil Code, relating to mortgages and deeds of trust.

LEGISLATIVE COUNSEL'S DIGEST

SB 364, as amended, Alpert. Mortgages and deeds of trust: accrual of interest.

Existing law provides that interest on the principal obligation of a promissory note secured by a mortgage or deed of trust on real property improved by one to 4 residential dwelling units shall not commence to accrue prior to close of escrow if the loan proceeds are paid into escrow or, if there is no escrow, the date upon which the loan proceeds have been made available for withdrawal as a matter of right. This provision does not apply if the funds are paid or made available from a federally insured financial institution with an office in this state.

This bill instead would provide that a borrower may not be required to pay interest on a principal obligation under a promissory note secured by a mortgage or deed of trust on real property for a period of more than one day prior to recording the mortgage or deed of trust, if the loan proceeds are paid into escrow or, if there is no escrow, the date upon which the loan proceeds have been made available for withdrawal. The bill would additionally provide that interest may begin accruing on the business day immediately preceding the day of recording, if the

borrower requests and the lender agrees that the recording will occur on Monday or a day immediately after a bank holiday, and if the lender makes specified disclosures. *This bill would also delete the limitation for federally insured financial institutions within an office of this state thereby applying these provisions to those institutions.*
